

## Kirby W. Gholson

December 21, 1942 - October 25, 2013

Kirby Wayne Gholson

Born on December 21, 1942, Kirby crossed the river quietly on October 25, 2013. True to his Texas roots, he was equally passionate about hunting and fishing, which defined much of his life and career of 18 years with Texas Parks & Wildlife. He never met a stranger, greeting everyone and anyone with genuine warmth and kindness. His unfailing sense of humor will be missed around the deer camp fire, the fish cleaning table, the docks, ranches and waterways that were so much a part of his life. He later leveraged his intellect to become an accomplished real estate investor, enjoying a vast circle of friends and acquaintances. His dry wit continued to entertain us to the very end. He is survived by his wife Jacqueline; daughter Stephanie and husband Kevin Bade, their daughters Sarah, Hannah, and Leah; son Clinton Gholson and his wife Betsy; his sister Vicki and husband Tom Steele and their children; uncles Albert and Dee Gholson. Services will be held Wednesday October 30th, 2013 at 11:30am at Mission Park Funeral Chapels North.

“ I worked with Kirby at the Texas Parks and Wildlife Department. He was a very intelligent, likeable and easy going guy. I am really saddened by his passing.
