In Loving Memory of Kristene Mills

April 27, 1964 - August 19, 2024 Kristene Mills was born on April 27, 1964, in San Antonio, Texas, to Thomas Salazar and Anastacia Flores Salazar. She left this world on August 19, 2024, leaving behind a legacy of love, kindness, and unforgettable memories. Kristene was preceded in passing by her beloved parents, her brother, Michael Flores, and many dear aunts and uncles. She is survived by her devoted husband of over 41 years, Thomas Mills, and her cherished children: Kristol Rose Lopez, Martin (Valeri) Lopez, and Monique Sardia (Alexy Pagan) Mills. Her grandchildren, Jesus Lopez Mauricio, Jesalyn Mauricio, Mia Pagan, Dominic Pagan, Isis Lopez, Osiris Lopez, Jenisis Lopez, and Luna Lopez, along with her great-grandson, Jesus Antonio Mauricio, brought immense joy to her life. She is also survived by her siblings, Manuel Salazar, Tomas Salazar, and Jessica Reyna. Kristene was known for her outgoing personality and creative spirit. She had a special love for dragonflies and all things that sparkled. Her hands were rarely still, always crafting beautiful jewelry and intricate paper flowers that she would generously gift to friends, family, and even the nurses who cared for her. Her giving nature was a cornerstone of her character; she volunteered selflessly in her younger years and was always ready to offer a helping hand, especially to those in need of a ride to a doctor's appointment or hospital visit. Kristene had a unique ability to connect with everyone she met. A true social butterfly, her positive energy radiated through every interaction. She shared a deep bond

with her husband, Thomas, and they often embarked on adventures together, exploring the great outdoors through camping trips in cozy cabins. Though she accompanied him on hunting trips, her kind heart always led her to warn the animals, ensuring they had a chance to escape. One of Kristene's greatest joys was playing in the snow, a testament to her unwavering spirit and zest for life. Even through her battles, she never lost her radiant smile, serving as a beacon of light to all who knew her. Her presence in the lives of her family and friends was a gift, and her absence leaves an indescribable void. Kristene Mills will be remembered as a loving wife, mother, grandmother, sister, and friend. Her legacy of love, generosity, and joy will continue to inspire all who were blessed to know her. She will be deeply missed but forever held in the hearts of those she touched.

“*Kristen wasn't just a part of my life; she was the center of it. There was a quiet strength in her that always amazed me, even after all these years. She had this warmth that could calm any storm, a smile that made everything seem lighter. Her love for our family was boundless, and no matter what came her way, she faced it with such resilience, never letting anything steal her joy. The bond we shared was something that words can't quite capture. She was my rock, my confidante, my everything. It's hard waking up each day without her, but I remind myself that she's no longer fighting, no longer in pain. And in that, I find some peace—knowing she's free, watching over us with that same love that never left her heart.*”

“ To my precious & beautiful childhood best friend; KweeKwee, the only best friend I ever had, their came no true other after you, there was only you for me, and even though it was in childhood & school age youth that it lasted, those times of ours I have always carried in my heart and always will, til I see you again in my dreams and when I go home to join you; we will be like little children again innocent & pure, playing marbles in the dirt on the ground like we use to & jacks our favorite, listening to our big crush Donny Osmond; it'll be fun again you'll see. I love you always; Nyna & KweeKwee.

“ She will always be remembered. I remember when she and Tommy would come visit and she would get in the kitchen and not let anyone help and would make the best food you have ever eaten! She made me laugh and was always giving you a hug. She will be missed.
