“ Please except my deepest condolences to you and your family on the passing of Miss Lahuan Wetta.I only knew your mom for about six months or so she purchased Avon from me. I enjoyed just setting there with her and just talking and helping her with lady her cat. She had a special spot in my heart since the first day that I meet her, I would call to see if she needed anything to eat or for lady. I enjoyed taking her to the stores when her car was in shop, I well miss her she was a wonderful and kind person with a big heart.
