January 27, 1935 - September 18, 2022

Our Beloved Larry "Da" Lester Bowers was 87 years old when he passed away in Schertz, TX. He was born in the city of Brownwood, TX, on January 27, 1935; His parents were Mae Bell Snyder Bowers, and Lester Edgar Bowers. He attended Brownwood High School, where he met his wife Sylvia Ann Robinett. They married on March 21, 1958 while he was attending the University of Texas in Austin, where he later graduated with his Bachelor of Science Degree in 1960. Larry and Sylvia settled in San Antonio after he graduated, and had two children, Alan and Torjie Bowers. He had a successful career working as a mechanical engineer at Kelly Air Force Base and later for Southwest Automotive research. After that he opened his small business Sun Energy Systems, which he owned and operated until 2017. "Da" was a car guy, a do-it-your-selfer, and loved talking about solar panels. He loved building and fixing things, and there wasn't anything he couldn't do or fix on his own. He loved his family dearly and would do anything for them. He became caretaker to his wife Sylvia when she fell ill, and cared for her in his home until she preceded him in death on September 19, 2016. They were both preceded in death by their son, Alan Bowers.
