“ Larry was my childhood friend from elementary school. I remember we would walk together many times through the streets until we got home. He always had a smile on his face and always seemed so happy. He had a beautiful spirit and a lightness to him that you don't find in just anybody. Its been many decades ago but I can still remember us laughing. My deepest condolences to his family. Larry was a beautiful person inside and out. May you rest in peace my friend. I will forever be grateful to have called you.. friend.

“ My Condolences from Ruben & family to my aunt Janie,uncle Larry,my cousins Micheal & Raymond, I feel very sad, my mom also past away recently, I know how they feel,I remember my cousin " Lil" Larry when we were all young and my Mom and I would spend the weekends at my aunt Janie's we always had fun, I always looked up to my cousin Lil Larry he was very smart,I have an old memory that always comes back to me, He was watching The Wolfman Jack show and asked us hey hurry y'all need to come and watch this, it was Alice Cooper on the TV show,and I was amazed from there on I think that's what got me into Rock n Roll watching that show,if it wasn't for that I wouldn't be drawing artwork for bands these days, I will miss my cousin Larry even though later as we all grew up we didn't see each other as much, but I will never forget him, and all of us being together when we were kids,I was born an only child but they were always like my brothers I never had. God be with you all in this time grief.

“ Dad, I miss you so much. I will treasure our Sunday dinner and lunch dates. I will forever be grateful for the love you had for your grandchildren. Whether you were teaching Alicia to play chess and fostering her love of music. To sharing your love of computers and matchbox cars with David. And finally for your love of movies and your outgoing personality with Destiny. Thank you giving me the best father a daughter could ask for. I love you.
