*I met Mr. Engbrock as I visited my brother-in-law, Terry Durr at a little League practice some 18-20 years ago. I was un-employed at the time and Mr. Engbrock and I seemed to take a liking to each other, he requested I come to 913 Franklin (Southern Pacific) office in Houston, Texas. I met with Mr. Bob Butler and was hired due to my past experience with*

*Rock Island, Port Terminal RR, and HBT RR. Here, I worked under Mr. Engbrock on practically every step of my training, Believe me, we not only saw each other night and day at work, even assisted him on some of his “Blue Light Specials” at All Star Sports. We had lots of fun working together. Things rocked on and I left Southern Pacific in 2007.*

*I will remember Larry A. Engbrock as a Mentor with a Extremely big heart for his Church, Southern Pacific and his company. “God Bless You Larry” you will not be forgotten.*

“ *I met Larry and his brother Les when we were members of the Granger Little League team called the Green Caps. Larry was the catcher and Les played in the infield. I lost track of Larry and Les after they moved from Granger..I once again met Larry one Sunday at mass at Holy Trinity in San Antonio. I’m not sure Larry remembered who I was but he told me he was working for the railroad. I think Larry was in a hurry to get to his job and we didn’t get the opportunity to exchange any contact information. We extend our sympathies to Larry’s family and will keep Larry in our prayers.*
