“ *I met Larry many years ago in his sales rep job with BSI while working at UNTHSC in Ft. Worth through his friend, colleague and our rep at that time Ben Tepichin. So I was very happy when I moved to San Antonio/UTSA and found out Larry was to be our rep. Larry leaves a legacy of kindness, warmth, caring and dedication with a heart of a lion. He was more than a just a rep - was a friend to us and for several of us who worked closest with him was "familia". My sincerest condolences to his wife, boys and family. Also to his close friends - I know many of you lost a "brother".*

“ *Sounds like many have the same experience with Larry as I did. Larry introduced himself to me on my first day 17 years ago at UTHCSA. He was not only my sales rep, but a friend too. My condolences to Roberta, his sons, and family. Jack and Lena Simons*

“ *I first met Larry around 20 years ago when Larry was selling my company's products through BSI. Every time I have seen him he has been very a positive guy with a smile and a warmth that just made you like him. I suppose that is why he was so successful in creating so many long-standing relationships with customers and colleagues. I know he will be greatly missed. My sincerest condolences to Roberta and family and to Larry's BSI family.*

“ *I worked with Larry many years ago when I was at Belco Glass; it was such a pleasure (as were all at BSI). I got to meet him in person so I feel blessed even though it was a long time I never forgot him. My heartfelt sympathies to his family on this terrible loss.*

“ Our sincerest condolences to Larry's family. I not only had the opportunity to work with Larry on a professional level at the University Hospital but also on a more personal level as our son's both played on the same CYO coach pitch baseball team at St. Mathew's Church. He was truly a family man. Our prayers are with Larry and his beautiful family.

“ My condolences to Larry's loved ones, family and friends. He will be missed. Despite his fight, Larry was always upbeat, professional and seemed to find a second to laugh. He encouraged me in my own bout with cancer. God bless you buddy! No more pain, you are home now.
