“Sue was such a ray of sunshine! Her energy and smile lit up every room she walked in. She's one of the most dedicated servant leaders I've known. Her dedication to Habitat for Humanity of San Antonio was exemplary! She will be missed.

God be with her friends and family during these times.

“My deepest sympathy for your profound loss, Homer. I didn't know Laura, but knowing you for the better part of my life, as a student at Central Catholic, class of '50 and as a fellow worker at St. Mary's University, she must have been very precious to you in your blessed, 67 years of marriage. Marriages that survive that long is a tribute to the true love you both had for each other. It is a rare love, but one founded in the love of our Blessed Savior. Henceforth, I will keep Laura and you in my evening rosary prayers each and every evening, asking God to take her into his bosom and to bring comfort into your life and those of your precious family, during this time of your profound loss. “ *I would like to offer my deepest sympathies to you. I am so sorry for your loss. Please know that you are never alone. You can find comfort from God's Word, the Bible, knowing that He is near to those broken at heart and crushed in spirit (Psalms 34:18). Please accept my deepest sympathies.*
