*Laura,
My sweet friend & sister. We clicked from the very second we realized we both had the same spicy personality! Instantly, I gained a great friend who eventually became family. Throughout the years we shared tears, laughs, disputes and fun times making our friendship stronger. Thank you for loving me unconditionally, I will hold our memories close to my heart!
I Love you,
Nancy*

“ We have a lot of memories but one of my many favorites was 4 years ago you asked if I could drop you and Justin off at the Alamodome to watch Metallica, you noticed I was sad that I wasn't going cause Justin only bought two tickets. After dropping y'all off I was barley getting home and you called me and told me to get ready cause they didn't scan one of the tickets at the entrance. After showing up all dressed up the guy said the tickets were already scanned, you told me what to say and made up a whole story. After speaking to the manager on speaker phone you were able to get me into the concert. 😂
