“ I remember when I first met Laura. I looked at her and said to Joe, so that is where you get your beautiful eyes from. She had a big smile on her face. I will always remember your mother as a very kind and playful spirit. We will miss her so very much. Sending love your way Joe.

Joe Garza

Thank you Patricia. My mom and my dad both had green eyes. I've always wondered if that was what sparked a conversation between them.
