There are no words that can explain what type of person Lauren Nina Marie Vasquez was, she had such a big heart and a kind soul. Saying she loved her family to death was putting it lightly. She took pride in her loved ones and showed it to the fullest. Always having a smile even in the worst of times. If anyone was having a bad day she knew how to make it better and see the brighter side of life. She was happiest when she had her nephews and nieces around. They meant the world to her and she meant the world to them. Her brothers are so proud to say "this is our sister". We could go on forever saying how much she meant to us. She will remain the backbone to our world and she will forever be in our memories and hearts.
