“ *What a beautiful memory video of Uncle Lauro. Watching it brought back so many childhood memories, especially when I saw the original house. That little house used to draw me to it for some reason every time we went there. I was so intrigued & loved it for some reason. It also reminded me of the family gatherings, food, laughter, and Gil playing his guitar as everyone sang. The one song that really always stuck with me & I always associated them singing it was... "Wasted Days and Wasted nights". Those memories will stay with me always. Now Uncle Lauro, you are reunited with family of the past & are at peace now. Thou have been blessed to live a full life. Not too many get that far. So, until we meet again... You and Gil sing your songs for everyone and bring them smiles! Give a big hug to my Grandma Minnie (your sis) & the rest of the family when you see them ❤️*
