“ *Mom, Words can not express the hurt I feel knowing you are gone, I Love you very much and with all my heart. I am so thankful I got to see you the day before the Good Lord called you home, I was so happy to see you happy and smiling and will never forget the kiss on my cheek you gave as we said good bye. I know you are no longer in pain or suffering, and probably dancing up a storm in Heaven, this is the only little comfort I find in you leaving us so soon, but will miss you every day. It's not good bye, but till i see you again, Mom. Love you very much.*

Mom, it doesn't seem real. It's been 3 days now and I still cannot breathe. My heart is so heavy and the pain is unbearable. I'm trying to find that "peace" in knowing that you are reunited with the ones you have missed so much. You can dance again like you always loved to do. I love you
