“ Hello Faktor family,  
So sorry to hear that Larry passed. For some reason, Larry came across my mind today and when looking up, noticed he died LAST MONTH! Years ago, I made sales calls to him at K & E on Broadway, which I know either closed or got bought out and ceased doing business, at least how I knew it as. This was back in the late 70's & early '80's. Larry was a very good man, and I looked up to him in my young age of around 27 or 28 at the time. My condolences to your family!

Lawrence's grandson Tim here, thank you for the kind words and hearing about his time from back then, he would talk about his time at K&E off and on and actually still has a desk he brought home from them when he was laid off.
