Lawrence A. Frels passed away peacefully at home on 7/19/2012 after a battle with cancer. He is survived by his loving wife of 59 years, Patricia Frels, his brother, Fehner Frels Gay, daughters Carol Salvesen Steve, Diane Frels Ray Dunn, Judy Frels Lou Cantolupo and two grandchildren Sarah and John Salvesen. He was a paratrooper in the Army at the end of World War II where he served in Japan. Larry worked for many years in the printing industry as a mechanic and salesman where he excelled in the BS department and at "loadingout." He was a member of St. John's Lutheran Church for 30 years where he was very active on the Youth Board and with the Deacons. He is currently a member of Lutheran Church of the Good Shepherd. He coached girls softball for many years for the San Antonio Lutheran Athletic Association, including one year when he was able to supervise all three of his girls on the same championship team. The family thanks CIMA Hospice and Dr. Fernando Martinez for their dedicated care over the past year. In lieu of flowers, the family suggests that donations be made to the charity of your choice.
