“ Larry Tucker was kind, considerate and always lending a hand where needed. I'm so glad Bill Borellis "found" him again that day in 2010. I had given up finding him since he had graduated from the same high school as I did, Randolph High School, Randolph AFB. It was so amazing to re-connect with him and find out what he had been doing all those years since graduation. Larry, I know you are with our Lord and you are smiling that beautiful smile you have. Rest in Peace Sir, Salute!

“ Yes, a memory! It was sometime in 2010 and I was working for the 2010 Census as the Marketing & Recruiting Manager in San Antonio. I spoke at several of the Senior Centers in Bexar and the surrounding Counties. One of them was Claude Black in East SA where I spoke often. One one occasion I was asked if I wanted to attend one of their "Soul Food" lunches, and I did. While there I noticed a gentleman who was volunteering as a chef in the kitchen. He looked familiar. I asked someone about him, his name, etc and they gave me the wrong info. Fast forward to another event that I spoke at ... it was a United Way function. While at that event I saw that same person who was at Claude Black. This time as I was introduced to the audience I noticed the same person waving and smiling at me, it was Larry!. After I made my presentation he came up to me and we reunited and hugged. Mind you that I hadn't seen Larry since he graduated from Randolph High School 1963. From then on Larry was a formidable part of our RHS San Antonio Family. How sweet that was! We are so fortunate to have had Larry and Mary in our lives. God bless you Larry! Be at peace with the Lord!
