“ My memories of Uncle Lalo are of his infectious laugh, sharp wit, and big heart. We are forever thankful for the many years the Davila opened their home to us on Christmas Eve. We will forever think of him and your family no matter where we spend the holidays. His life was a blessing for us all and he will be missed dearly. Our condolences to Davila family.

“ Margaret and all of Lalo's family, Jesse & I (Jean Sada) extend our deepest sympathy for the loss of your husband and father. He was such a gentleman, loving family man. I met Lalo & Margaret because of Margaret's father Mr. Marks. He & my father, Martin Sada were great friends. As a young couple, with only 2 sons at the time, they rented an apartment from my parents. Sometimes, if I got up early enough, Lalo would give me a ride to school. At that time, he worked at Sears and I went to school at Ursuline Academy. On occasions, I would babysit for them. I so enjoyed playing and taking care of David and (Dinker) Raymond. who were the only children at the time. I really missed them when they moved. Throughout the years, I would always remember the Davila family. He will missed by all who knew him. He was a true friend to all. Margaret and family, may God give you strength through this difficult time. Blessings always. Jean (Sada) Pacheco

“ Uncle Lalo enjoyed coming over to our house several days during the week
We enjoyed talking with him and joking around
He really liked being there and sharing with our mother
Never on the phone but always in person
He loved our mother very much
There was a true brother sister bond there
I always will remember
May his soul forever Rest In Peace
Love you Davila Family
