“ *I loved Lee Alice! She was one of the sweetest people I've ever known. She always made me smile and I thought of her as a second Mom. She loved making cookies for everyone and always had a Nestle's Crunch in her purse to share. I'm so sad that I couldn't see her during the last year of her life due to COVID, but I'm sure she knew that she was loved. I will miss you Lee!*

“ Lee was such a sweetheart. My husband and I met her at Zion Lutheran church. She was sitting behind us and we could hear her crying. After church I sat with her and she told me her husband had just passed. After that we always sat with her. We formed a friendship. After church she would head to the cemetery to visit Leo’s grave but not before giving us a bag of cookies. When we moved away from San Antonio we always sent her cards and even stopped by to see her at her house. We moved to Oregon a few years ago but still return to our cabin in the Hill Country. I visited her in Kerrville once. Every time we saw her all she ever said was “I pray every day for the Lord to take me so I can be with Leo”. I know she is at peace now. We will miss her❤️🙏
