“ Aunt Leigh, you were a sweet soul and very special to me. You accepted me as your niece and then later loved me like a daughter! I will treasure the time I got to spend with you and the conversations we would have on the phone and over lunch! You reminded me so much of my mother-in-law and after her passing you brought so much joy to have around. I will forever cherish the long conversations we had in the hospital when you shared such fond memories of Geneva, William and your family growing up. I learned so much and so did Brett. We love you and we are going to miss you! You are flying high with the Angels in God's Kingdom, with your parents, your brother and your beloved sister - Rest in Peace Aunt Leigh.
