“ I just discovered of Uncle Dan’s passing. I will never forget how very nice he was to me at Grandma and Grandpa’s house. I probably dislike onions now because of him. Always worried about whiskers since he would tell me when you eat onions it makes you grow whiskers. I knew they didn’t but did enjoy sharing that joke with my kiddos. RIP Uncle Dan.

“ Dad always had an answer for everything. We have Leniolisms of things he would say, this is allowing us to laugh with our tears. I am so proud to say he was strong man of God and I have no doubt of where he is.
