*I just drove by Leona's house and noticed there was a lot of cleaning out going on. So, I checked the obituaries and saw she had passed in December. I stopped to talk to her several times after we moved back to our house down the street. She was a wonderful lady and so enjoyed our chats. She will be missed. I have fond memories of her and her daughters, Susan & Gail. We all grew up and played together. My deepest sympathy and prayers to the family.*

“ Sorry I'm almost 5 years late, I was thinking about her today and thought I would check the obituaries and found this.

*Onnie is what I called her and she was my next door neighbor until I moved away when I was 18. I was able to see her a few times when I would go back to see my parents.*

*Onnie was one of the sweetest people I have ever met and always was a joy and blessing to me. She always had such a sweet spirit and I know she is enjoying her new address with her Savior.*

*Susan and Gail - I know you miss her terribly and I pray for your comfort.*

*Love to ya'll
