“ It's hard to imagine, mister walker not standing out front, cleaning or polishing the cars. My favorite Memory will be of his Beautiful Grin, staring at me motioning me to come over. I could tell he was so excited to show me something. After my Hug he opened the garage door to show me his Red Corvette! he couldn't have been more excited.

We will miss our neighbor.

Love you! Maura & Jesus

“ Wow...I truly can't put into words what my uncle Dick meant to me. We had our decades of jokes between us that included messages on bathroom walls or porta party's... Lol "sorry" but just had to share. I'm so grateful for the moments we just shared this past April & you will be forever in my ❤️

“ Just want to say how much I adored my uncle Dick! I may not have had the opportunity to grow up around him, but I did get to know him!! Anytime he'd come to Amarillo he would make a point to drop by, even if it was brief.. One thing he'd always tell me, He Loved me!! That meant more to me than seeing him often!! A beautiful, sharp, loving man that rode around in a corvette...lol. What a man!! I wish I could find those pics of him from past school reunions!! He was a good man. God gained another angel!! I love you! I love my Walker family!!! You will be missed!

To my dad, I love you and I'm really gonna miss you, but God knows best, he's too wise to make a mistake. I know you're in a better place now so enjoy your family up there. So don't you an uncle Billy and Mr. Matthew act up to much lol. My heart is so empty without you. I love you fro your daughter: Linda Walker Stephenson
