“ My dear friend ,you were like a brother to me. Can’t believe you’re gone , I remember all those crazy remarks you use to say made me laugh and that walk of yours when you ball up your fist , those were the good times. A lot of things we learned from each other , we talked about our families..you about your wife and daughter, Mom and Dad, oh! don’t forget about your brother Raymond too. It was an honor being one of your good friends there’s nothing bad about you . You were always a happy person at work always making everyone in our department laugh, you had such a positive outlook on life you will be missed.
