“ I'll never forget when he brought the band Timepiece to Emmanuel Presbyterian to play in the back under the stars, summer of 1981 and so many people got saved. It was beautiful. Romo Garcia organized the evening. I'm so grateful I got to see the band perform. God bless!

“ I just learned of Leonard's passing. We spoke some months ago on business as we always tried to connect a few times a year. In all the years we worked together, launching a product, out for dinner with Leonard he made it fun. My second time in San Antonio at our product launch Leonard took me out on the river walk dressed in our tuxedos to have an amazing time. The next trip we went to a festival with my daughter and wife and were treated by Leonard and his family line we were family. Such a wonderful soul and will miss his thoughts and passions. Leonard was a dear dear friend. I truly miss Leonard but have my memories intact. John Forte, Canada

“ Our deepest condolences from thr Ayala family. What a great man. For both my two sons and myself he was always Coach Wong. He always treated us like family and I enjoyed watching my boys play baseball for him. You could tell he enjoyed teaching kids of all ages learn the game. Thank you Coach for everything. You will be missed.
