“ My amazing Uncle, there are not enough words to describe the laughs, joy and love you brought to so many. As I discussed with you, when I was a child my memories were always to celebrate holidays at your home with great food and a huge fire. Even as I was older you were here for me at my home with Kris to cut down my tree and had a few laughs with Momma. Then as Momma became worse and her time was coming you guys were there every moment to help my and my brother thru this time we never thought would come. My Momma loves you so much and I believe having you all there with her gave her the peace she needed. I am thankful for every moment, smile and laugh you gave me and I want you to know I will be here for everyone as you were here for us. Please give my Mommy and Daddy a huge hug for me and save me a piece of KFC lol. To my amazing family (Aunt and Cousins) thank you for allowing me to be there with you all and doing everything you could to help him and us. My family and I are always here for you all in whatever you need. Sending lots of love and prayers to you! -Gracie and Family
