“ *My best man & superman. I heard you flew in a helicopter, landed in the hospital and put a roof on a house, all in the same day. Brother Boy, thanks for the laughs and the memories, I'm gonna miss you and I love you deeply. Areli, my deepest sympathy and my prayers go out to you and the family.*

“ *My most precious brother I will miss you so much. Nothing will be the same without you. You made an impression on everyone you met. You were God sent to us all. I have so many wonderful memories of you. You were that one of a kind brother. We had so many plans to do things together as a family. I was so honored to have spent a lot of quality time with you and Areli lately and I thank God for that. You will forever be loved and missed by your family. I know that you are with God, mom and dad and that is the only thing that gives me relief. Until we meet again, I will be praying for you.*
