“ *To the Delgado family please accept my deepest condolences on the passing of your mother. What a beautiful person she was. Her smile brighten the room and I so enjoyed the conversations we had as she was always so tentative and asked about my parents and family. The heavens have gained an angel and I hope she says hello to my parents. Prayers and love to you all.*

“ Our condolences to the Delgado family on the loss of your dear mother.

She was a good sport and full of laughter when we got together. Always surprised us with tamales and pan dulce. She loved her family and always prayed for them.

May she Rest In Peace. She will surely be missed though leaves a lot of sweet memories.
