Leonora R. Ramirez, 77 years old

God called one of His angels home on April 16th, 2017. Leonora R. Ramirez passed away while surrounded by her loving family at Metropolitan Hospital in San Antonio, Tx. She was born in Gonzalez, Tx on May 9th, 1939 to her late parents, Mr Narciso Rodriguez and Refugia Garcia. Leonora was a strong, independent woman with a gentle, kind heart. She had a strong faith in God and earned her golden angel wings serving her family as a loving, compassionate mother, grandmother and great grandmother. Loving her family made her world right and with a heart of gold, she helped anyone in need. She was always giving love beyond measure and often seeing value within a person that no one else knew they had. Standing strong with grace and charm, her presence made the world a kinder, happier place. We will forever hold her memories in our hearts and will always know her love was one of a kind.

While raising her children, she worked many, many years in the hotel industry as a housekeeper and she was sheer inspiration to all. After approximately 35 years of employment, Leonora was able to retire and throughout her career, she had received many recognition awards and honors for her dedication, hard work and years of service.

This is not the end, it is just a new beginning of our life journey with a very special guardian angel and holding her memory in our hearts will remind each of us how she so loved us beyond measure.
