“ Love you guys so very much. We will always remember his humor and laughter. Family reunions that he helped to make possible. Hugs when we needed them the most. Laughter to dry our tears. So sorry medical issues are keeping us away tonight. You are all in our prayers. So happy he is now in God's arms and again by your Mom's side.

“ I don't even know where to start. These past few days I have been a totally emotional wreck, Dad I just wanna say I love you, and I'm going to miss everything that we enjoyed doing, rather it be going to birthday parties, taking a trip to Llano, and especially eating out in our favorite restaurants, I have very special memories of you that I will cherish for the rest of my entire life, my heart will always ache until that day when it's my time to be with you and mom, RIP Dad, I love you and miss you always.

“ I have so many memories from growing up of you Popo. I can't pinpoint my childhood fondest. I can however be thankful that we grew a closer bond these past few years. You were a good grandfather and a wonderful great grandfather. Jolene says "thank you for showing up to my Tball games. Love you Popo." I am glad you get to rejoice with Mimi in heaven. Sending all my love. May our family find peace & comfort during this time.

Gary Williges - February 05, 2018 at 12:55 PM

“ My most fondest memories are when I would visit Mimi (Evelyn) and Popo (Leslie) in Llano. Before leaving he would point to his cheek and tell me "Put'er there". I would argue and point to my cheek and say "No, you put'er there!" He always got his way and he always got his kiss on the cheek. RIP Popo.
