Leticia will be greatly missed by all who knew her. There are many words her loved ones used to describe her. However, none come close to painting a complete picture, except maybe incredible. That's because she exemplified all the positive characteristics we strive to embody. Leticia truly enjoyed life and lived it with gratitude. She was quick witted, appreciated a good joke, loved dancing, treasured time with family and loved ones and was not concerned

with material possessions. She was happy with the simple things in life. She always made herself available to cheer us up and point out the positives in every situation, and all her greetings came with a beautiful smile, sparkling eyes, and a kind touch that would brighten even your worst day. We have lost a truly bright light in our lives, but we know her spirit lives on and we will soon see her again!
