“ My name is Larry Duran and I have had the privilege of knowing Letty and her husband Mark for over 25 yrs. In those short years we shared some memorable moments together including a wedding graduations , Christmases and New Year Eve celebrations to name a few . One constant at our gatherings was laughter and plenty of it. Letty and Mark shared a unique bond in that they made each other laugh through their great sense of humors. I knew this all to well having worked with Mark as my partner against crime . We often told each other without a sense of humor you wouldn't last in our business . That's why I am so grateful Letty and Mark shared the laughter in their lives and we loved being a part of it. These two special people were a match made in Heaven. They loved their children and parents and their entire family and they shared some of those memories with us . Yvonne my wife, also shared a special bond with Letty , both of them lost their mothers very young in their lives but always made the best of their lives and always remembered the impact their own mothers had made in their lives . Letty always thanked me for taking care of Mark, I really believe it was the other way around he took care of me . I will miss my sister , but will always remember the scolding I got from her . She blamed me because I was infringing on her husbands eating habits . She always told me I was spoiling him because I was making him homemade tortillas for our breakfast tacos, she said she couldn't compete with that ! Honestly if you ever had some of her cooking , she could cook ...seriously !! But it was her heart that made her special , the unconditional love for her husband who battled his own adversity. The love she had for her children Valerie and Mark was what a mothers love should be . She prided herself in being a great wife, mother , daughter , sister and great friend. Letty we love you and will miss you , you touched our lives in many ways and we will always be grateful that God allowed us to cross paths . I hope your margarita is always full and even better in Heaven . You earned your wings tenfold ...what courage , U can rest now..

“ Our condolences go out to the Paez and Mendez family. Ilda and myself had the pleasure of hanging out with Letty and Mark and I followed her posts on Face book. When Corina told me about her situation I thought she would make it through. Corina never left her side and her other sisters and brother ralleyed behind her for the battle against this relentless illness. God knows when he needs a great person and he picked her to join him. God bless.
