“ *My heart is heavy with grief. My Beautiful friend has gone on to a better place. Letti got her wings and now, her pain is gone. She's flying high with all the Angels in heaven, walking steers of gold and living in a mansion.*
Letti and I made memories together, we had lots of plans. God had other plans.
My condolences to her family.
Letti will live in my heart, always.
I'll miss everything about My Letti!
Rest In Peace Baby Girl, until we meet again.

“ Letti, my beloved cousin. Oh, how wonderful you were. You held the same traits as my father; fun, passionate, lively, and strong. You brought light to those around you, a light that will never fade. Your sense of humor was unique and pure joy. You were one of a kind. You will be truly missed. I will cherish the memories I shared with you. You will always live in our hearts. Rest well, my beautiful cousin. Until we see each other again.

Cindy Sanchez - December 14, 2017 at 05:41 PM

My heart is broken. My Sweet Letti is gone on before me to a Beautiful place where she's at peace without pain and worry. Letti was like a child of my own,. Our bond was strong, like Letti was. I'll always miss Letti, I'll miss all the things we use to do, and the plans we had for the future.

I will always cherish the memories we shared. Letti was always smiling, I'll miss that smile and beautiful face. Her sense of humor, her love of country music. We were always doing crazy things. Her loving Mother, Velma, would ask us "what we're we up to? Getting in trouble or making trouble".

My Beautiful Baby Girl I will truly miss you. You will always live in that space in my heart specialty set aside for you, another hole nothing will ever fill.

Go now and be happy, Rest In Peace and dance with the other Angels. Until we are reunited once again.

“ I know that Letti will be truly missed. She was a very special person and she was never afraid to be herself and fight for what is right. Letti was also very smart if you needed help she was the one to go to. She also was kind hearted and was a loyal friend. I still can not believe she is gone but I know Letti will never be forgotten. To her family I am truly sorry for your loss. I know she is in a better place no longer suffering and now will be fighting for all of us that are left behind. What a blessing to have known you Letti!

“ To the family of Letti Ramirez, my condolences to all of you. You must know how loved she was by the many friends who kept her company before her final journey. Letti had a unique style and personality that few people are blessed to have. She left a huge hole in my life and I will forever remember and think of her. She was a blessing in my life.
