October 26, 1925 - March 22, 2020

LEZMA LEON

Lezma Constance (Blake) Leon of Parkchester, Bronx and San Antonio, Texas, went home to be with the Lord on March 22, 2020. She was the first of six children born to Arthur Panton Blake and Kathleen Elma Tingle. Lezma migrated to the United States in the early nineteen seventies in search of a better life for her and her young daughter Suzanne, to whom she was deeply committed. She always had a sparkle in her eye and a true zest for life as evidenced by her love for travel, that took her to places as far away as Turkey and Greece, and for cooking and serving wonderful meals. All will remember Lezma's smile, laughter and her keen sense of style. She was a loving person and a peacemaker. Lezma was a natural at nurturing and her grandchildren knew this well. As their "Nana", she always had a word of encouragement for them, sharing the perspective that there is always a silver lining in every cloud that life brings your way. Lezma thoroughly enjoyed her role as mother, mother-in-law and Nana.

Lezma leaves behind many memories to be treasured by her devoted daughter, Suzanne M. Stokes (Larry); brothers, Frank Blake and Richard Blake (Roma); grandchildren, Constance Serena Stokes, Tyler Nathaniel Stokes; great-grandchildren, A'khari Thompson, Khalil Thompson, Bryanna Stokes and Brandon Thompson, Jr. and several nieces & nephews, all of

whom will miss her dearly.

Lezma was preceded in death by her parents; brothers Humphrey J. Hinds and Clarence Blake; sisters Jacqueline E. Perry and Mavis Blake.

“ *I remember when Lezma was leaving Jamaica, she came by our home to tell her Dad goodbye. She hugged him and cried for quite a while. Now they are together in glory. I am Althea. Lezma and I had the same father, Detective Arthur Panton Blake. My mom was his second wife. May Lezma Rest In Peace and her other siblings who went before her. I remember Frank and Dennis as they came down to Jamaica for our Dad's funeral in January 1981.*

“ First off, I'd like to give my deepest sympathies to Suzanne & rest of the family. I just found out thru my mom Sunday morning. Secondly, my mom is in the same nursing home Lezma lived. My first encounter with Lezma was when I started attending activities with my mom. It seemed that Lezma as well as other residents eyes brightened when I helped them with different activities. However Lezma seemed to catch my eye & heart. I loved her Jamaican accent and we would just talk. She will be missed by mom and myself.
