“ *Although I didn't know Lidia long, she was very sweet to me. She welcomed me into the neighborhood and would check on me to make sure I was okay even though there were times when she wasn't feeling well. She was always upbeat and mentioned her family fondly. My heartfelt condolences to her husband and family.*

“ *Tia Lidia was special. All ways there for me especially in times of despair. She gave me the encouragement and strength I needed to overcome life's ups and downs. I will miss her but as long as I am alive she will live in me. she was a treasure that can never be replaced.*
