“ *Beloved Aunt Lilia was a beacon of light for the Garcia Family. She was a woman of dignity, strength, perseverance, faith and great familial love. I considered her a second mother, a person who delighted in sharing our good times, but also someone to lean upon for advice and comfort during periods of adversity. Lilia was an exemplary daughter in caring for my grandparents, and generous in love for her siblings, nieces and nephews. Rest In Peace dearest aunt.*

“ *My memories of Tia Lilia was how much she loved all her sibling unconditionally. She kept all our childhood pictures of the cousins in a photo album she showed me at her place. I know she loved and cared for us so much. I did get to thank her personally for all she did for the familia at the hospice facility.*
