“ It's been ten days since you left us. I think about you all day and night. The empty house, the empty rocker tears at me. But I realize it's not about me. It's knowing that you are in the most wonderful place possible. That soothes my heart. And it stops the rain. I will keep looking to the skies knowing you are watching. I will search the night skies for the brightest star and know you are there. I miss you so much. But I know we will be together again. LOVE YOU ALWAYS. Hubby

Sugar. Today we'd be celebrating 35 years of love  together and tomorrow your 51st birthday if not for COVID 19. The Lord led you to a painless and more peaceful place. I look forward to the day when he calls on me to join Him, you, and all the beauty that is heaven. Then my tears will be tears of rejoicing. I think of you every moment of every day. My love for you is eternal, never to fade away. I miss you so much but I know we will be together again. I Love you Hon. (I know, I know, you love me more)
