“ We were neighbors and great friends of her and the family and enjoyed many years of her great kindness and wonderful and joyful attitude. My wife had known them since her childhood. I was amazed by the purity of the love she had built into her family and how much loyalty each one of her children had for her. She surely had the touch of God and the directive to be able to create such a great nucleolus and tight knit family. She was always so nice and had that great smile that would light up any room. My wife Susan and I will miss her personality and friendship, but we rest knowing she's in Heaven displaying the love she showed everyone here. God Bless this family and may they receive God's speed in comfort during these days. Gone in body , but her spirit will remain with this family. Jack and Susan Handley
