April 28, 1920 - March 8, 2011

FLORES

Lillian Flores, age 90, went to be with our Lord on March 8, 2011 in San Antonio. Lillian Flores' family has been in business all their lives. Starting with working with her father and mother as a little girl at the family owned cleaners, then marrying her husband of 60 years, Theodore Flores, she was instrumental in guiding and starting her own family business. By combining her management skills and her husbands technical skills she helped create a brake and tire business. Lillian was a people person and those of you who were fortunate to know her-- everyone was a potential friend. As a friend, she showed you how to shine a positive light on everything. Sweets were also not a stranger to Lillian. She would hide her chocolate, but share them as she would pull them out one by one as if they were pieces of gold. So if Lillian is on her way to heaven, I am sure there is a bite taken out of the Milky Way -- please save a piece for me. By combining his medical skills with compassion, the family wishes to thank Dr. William Wu for the concern he displayed as he worked with our mother. He, too, manages to bring hope into a room filled with despair with his positive attitude. Thanks to Raul Bull Flores, cousin, who found and brought Andrea Aguilar Mama's personal caregiver who tirelessly took care and entertained Lillian during her journey. Lillian is survived by her two children, Ed Theo Flores and Elaine Flores; two grandchildren, Eric Flores and Elissa Flores Hickman and their spouse Rhia Blount and Ky Hickman as well as her sisters, Irene Gallahan and Mary Lou Garza.
