“ Lillie was a kind and genuine lady whose love for family was evident. The last time I spoke with her was a conversation at ironically a funeral of another relative a few months back. Her smiling eyes held hugs for all. She was a blessing to many on earth and is now a blessing from heaven watching over us all. Until we meet again.

“ My most sincere condolences to my nephews and nieces and family members. I would just like to reflect on the times that my wife and I spent with Lillie as she was so proud of her sewing, stitching and plants that would keep her busy and enjoyed talking during our visits. When I would call her of me coming over, she would be waiting at the balcony of her apartment and greet me with a hug and a kiss. We would sit at the table drinking coffee and eating pastries as I would call family members and surprise her so that she could talk with them here in Texas, California and Arizona. Then there were times that I would take her visiting cousins & other family members here in San Antonio and take a cruise to Stockdale visiting family there then to Seguin and back to San Antonio. I know that this moments will always be with me to share with other family members as Lillie touched all our lives with her smile, love, affection and giving with all her heart and soul as she is now living for eternity with God in heaven. Amen

“ *I remember having Lillie in my life and my mother's life since I was a baby. She was a great friend to my family and comadre to my mom. I would go to her apartment and she would tell me stories and fun facts about my mom. We always had a good time. I will miss her dearly. My condolences to her siblings and her children who are like cousins to me. I love them all so much. May she rest in peace now.*
