“ She wanted to blessed me before I walked down the aisle and she said “ I love you, mama” and right after I hugged her and cried a little more cause I knew how much we meant to each other. My grandma was truly one of kind person and I am going to miss her so much, especially my lunch break phone calls that I would have with her. I know she’s in a better place and it’s not goodbye for us it’s a see you later. I love you mom 💕💕
