“ *We meet George and Toy through my uncle Don. They were Don's good friends. When we would go visit Don and Lyn they would always take us to George and Toys. She always had great food and delicious desserts. The last time I talked to her on the phone we had a great conversation. She told me all about her beautiful flowers in her back yard and how George always keeps the yard so nice. She was a delight to talk to and a wonderful person who loved the Lord. I will miss my friend Toy. We love you George, come and see us in Kentucky. Love Debbie and Mike Green.*

“ *My parents, especially my mother Mable Zedler, loved the Herrings and I know now Ferd and Mable are having a wonderful reunion with Toy in the Presence of our King Jesus. Prayers for George and the Herring family during this bittersweet time.*
