>>> Our mother was a such a loving and caring individual. Her beautiful smile was infectious, everyone who knew her or had just met her, just adored her. She worked as a cafeteria worker at Southside ISD for numerous years, that's where she met and made lifetime friends. She sacrificed her entire life for her family. She was a loving and caring mother and was a hard worker ever since she was a child. She enjoyed working in her yard, planting her flowers and roses. She loved each and everyone of her children, grandchildren and great grandchildren with all of her heart. She also Inherited other people along the way as her "other sons and daughters". She made everyone feel, as though, she was their mother, because she had that motherly love for everyone she came in contact with. She was an inspiration to everyone who knew her, her spiritual Faith was one thing you knew you could count on. She was a Prayer Warrior for many. She was the person you would call if you needed prayer,

she would write your prayer in her bible and you always knew God would answer the prayer. She would say "My Jesus" can do anything, if you believe. And she had great testimonies of healing to back it up. We will always cherish our family traditions we spent with you Mom, especially our Thanksgiving Dinners and New Years menudo, which we all looked forward to all year long. We know you fought to the end Mom, we are so grateful for all the years, God gave you to us. We thank God we were able to spend your last days by your side and tell you how much we loved you and thanked you for everything you had done for us and our children, throughout your lifetime. You are now in paradise and your legacy will live in our hearts forever.
