“ My condolences to my beautiful nieces and nephews. I first met your mother in Middle School and even then she was special. I thought she was so cool yet still so nice, even then she knew what she wanted from life. She saw her dreams fulfilled in her wonderful children. I will always remember her great laugh and her positive attitude. Linda is free now. Walk in Beauty dear sister and thank you for everything.

Dear Linda,

You were my true sister in life. We helped each other, we supported each other, and we understood each other. Thank you for your love, your dedication, and for understanding. I wanted to continue what my Mom, your Tia Lillie, was doing for you. She loved you so much ! Just as I do. You have been and still are, the loving , caring , sister that I needed. I enjoyed hanging out with you and Bernice in church ! Say Hi to my Mom in Heaven ! Love you always,
