She was selfless and devoted most of her time spending with family and retreating at a beach location of her choice as much as she could. She was born to Vera Ruth and Archibald Porter on February 26, 1945 in San Antonio, Texas. She is preceded in death by her parents. She is survived by her husband Thomas Scrimpsheer; sons Jeffrey Scrimpsheer April and Mark Scrimpsheer Lisa and grandchildren Megan Scrimpsheer, Tyler Scrimpsheer and Scarlett Scrimpsheer who lovingly called her Mee Maw. Linda is also survived by her loving brothers Bill Porter Donna and Russell Porter Connie and numerous nieces, nephews and their beloved dog, Sissy. The family wishes to thank the doctors and staff at South Texas Accelerated Research Therapeutics particularly Dr. Anthony W. Tolcher and Dr. James White who provided compassion, care and understanding during the two year battle with Cancer.

During her days here with us she touched many lives and was loved deeply by family and friends and gave us a lifetime of love and memories. Linda will be greatly missed but never forgotten. Linda's journey on Earth was brief but her time in Heaven is Eternal.
