“ A lot of people are talking about how wonderful my Tio Lionel was as a fisherman. I have a funny memory of being out on the boat with him and my dad and others. I think I was about six or seven and I don't know what possessed me but I threw the rod and reel over the boat into the ocean! He was so sweet to me and he didn't get mad at me. He laughed and we got it out of the ocean and I just remember feeling so loved. He always made me feel so loved. I'm going to miss him very much! He's in my heart forever. Thank you Tio for all the advice you gave me. I have some wonderful memories.

“ We were lucky enough to have Lionel Martinez as our uncle. He was amazing, kind, sweet, understanding and so loving! Spending summers with him and his family are such great memories. Fishing and road trips were so much fun. He was there for me when I needed him always. I will miss our long talks on the phone. I loved to make him laugh because he had a great laugh! There is no one like him and I know he is in Heaven watching over us now. I will still have my talks with him. I love you Tio forever and ever! We will look over our Tia and your beautiful daughters.

“ *Lionel was the sweetest kindest man that I've ever met. He never had to raise his voice when disciplining his girls or me (Brenda and I were always up to something). He had the calmest demeanor and you never questioned his love for his girls and Becky. His caring and loving nature was felt by all that spent time with him. He will be deeply missed. I pray that all the loving and beautiful memories of him will get the family through this difficult time. Much love, Becky*

“ *My memories of Lionel, Mr. Martinez, we're from my high school years. His home was my second home. And if that door could talk...*

Spending most all of my time with Brenda meant that I was able to enjoy the love and kindness that he showered on his girls and wife and also me.

His quick smile and gentle demeanor were a welcomed part of my life. You would never have known that raising 4 girls could be a difficult task from his actions. Not that Brenda nor I ever added any difficulties (I can see Mrs Martinez rolling her eyes at that comment).

His love will live forever in the hearts of his family and all the friends that were fortunate enough to have spent time with him. God Bless you Lionel Martinez and blessings to your sweet family during this difficult time.

“ *I'm going to really miss uncle Lionel! If there is one man one step above my own sweet husband it was truly uncle Lionel. He was the perfect host for a great BBQ, sleep overs with my cousins and some of the best breakfast ever in San Antonio. My best memory of him is when we went fishing and I caught a stingray and he was able to save it and me that day. Love you uncle Lionel...We'll miss you forever with all our hearts. “ I was very fortunate to meet Lionel several years ago and at that moment realized how special he was as a real human being. I worked on his vehicles for years and shared a lot of fishing stories with him. If he saw me at his work he always made time to say hello. He's going to be missed. John Gabehart.

“ I met Lionel at Mitchell and Ashby's wedding and had such an enjoyable time with him and Rebecca. He was so friendly and caring with the family, you could see they were both very loved and respected by them. Lionel was always smiling whenever I glanced his way and all of the younger kids especially loved being around him. I know one day we'll meet again Lionel under circumstances that we will both treasure and we will then have plenty of time to reacquaint and become much better friends. I know you will be forever loved and missed by your family and friends but I also know the place Christ has prepared for you cannot be imagined by those of us that are still here waiting for the day when we see you again.

“ I remember when all of our families would go camping at Inks lake and our dad's all had boats. Uncle Lionel loved taking us waterskiing as did my Dad and Uncle Joe. I've always looked on those times as precious.

Of course the other memories I have of Uncle Lionel was standing out back by his grill. Talking and laughing with anyone who would go outside to visit with him. He would tell me jokes in Spanish then translate them for me! They were funny in English and Spanish!

Rest in Pease Uncle Lionel ❤️🙏
