

Lisa Rawson Harmon

March 5, 1963 - April 5, 2019

Lisa Rawson Harmon of San Antonio joined God in Heaven on Friday, April 5, 2019. Lisa was born on March 5, 1963, and to describe her and the impact she made on the lives around her is no easy task. Friends and family loved to be with her and would do anything for her. Lisa was a dedicated sister, mother, aunt, and friend. Lisa graduated from Winston Churchill High School in 1981 and had so many friends. She was a computer genius, made beautiful jewelry, and was known by her family as the ‘Macgyver’ of them all. Lisa was a social butterfly and lifelong friend to everyone she met. Lisa loved to have fun and loved to dazzle crowds with her personality singing karaoke on weekends. Anyone in her presence was guaranteed to have great memories and stories for years to come. She never let her “little Lisa” size get in the way of making the most out of every moment. When Lisa entered a room, her smile, voice, and laugh could instantly light it up with happiness and good times. Lisa knew no stranger in her life—she made everyone feel like they were her family. Nobody in Lisa’s life ever questioned her love or loyalty to them. Lisa’s greatest accomplishment in life was being a mother. On January 7, 1994, her life changed forever as Rebecca Shelby Harmon was born. She spent her remaining years loving and raising Rebecca with everything she had. Lisa loved everyone deeply and never passed judgment, all the way to her last breath. Her beautiful soul will forever be missed by every person lucky enough to have known her. Lisa is survived by her daughter, Rebecca Harmon, her sisters, Guyla Sineni and Barbara Rawson Dorsey (Craig), as

well as several nieces and nephews. Lisa was preceded in death by her parents, Barbara and Robert Rawson, her sister, Sharan Rawson, and her brother-in-law, Tom Sineni. Arrangements have been made to honor Lisa on Monday, April 8th, 2019 at 2:00pm at Laurel Heights United Methodist Church, located at 227 W Woodlawn Ave, San Antonio, TX 78212.
