

Lois M. Powers

May 5, 1926 - July 12, 2019

It is with great sorrow that we announce that our beloved mother, grandmother, and aunt, Lois M. Powers, age 93, passed away peacefully in the comforts of her home and was called to our Lord on July 12th, 2019. Lois was born on May 5th, 1926 in Leming, Texas to Jose and Francisca Munoz. Lois was one of 7 children. As a child, she, her siblings, and her parents worked as sharecroppers. Years later, she worked the night shift as a dishwasher, cashier, and waitress at Havalah's Café. Havalah's Café is where she met the love of her life, S.E. Powers. Lois and S.E. married one month later on February 22, 1948. Before S.E. passed on October 8, 1960, they had 6 children. Three years later, Lois conceived and delivered her 7th child with Tom C. Trevino, Sr. Lois raised her 7 kids in the Victoria Courts, and provided for them by working in retail/sales at Joske's Department Store in the shoe department. Joske's went on to become Dillard's, and after 15 years of service, retired from Dillard's in 1987. After retirement, Lois went on to help her children raise her grandchildren. She so loved her family all the days of her life.

Lois is survived by her 5 living children: Kenneth D. Powers, Janice E. Powers, Frances P. Martinez, Debra P. Gonzales, and Tom C. Trevino. She is also survived by 22 grandchildren, 27 great grandchildren, and 3 great-great grandchildren. She has been reunited with her husband S. E. Powers, her two sons Samial Edward Powers and Albert Earl Powers, her brothers and her sisters: Pedro Munoz, Josephine Anguiano, Patricia Rodriguez, Helen

Pacheco, Pablo Munoz and Felipe De La Rosa, as well as her parents, Jose and Francisca Munoz.

Today as we grieve, we should also rejoice and celebrate her long life of 93 years that she shared with us. Although she has shed her physical body we know that she has been made new, for she has been welcomed into the Kingdom of our Lord. She will no longer carry the burdens of worry or physical pain, and from now on shall be with us in spirit. She so believed in the power of our Lord, that it was just a matter of time before He would call her home.

“ *When I think of Lois, the words that come to mind are: beautiful (inside and out), warm and caring and she always had a smile. Phillip and I consider ourselves family and were blessed to have had the opportunity to be a part of Lois's life. She has left behind a wonderful and beautiful legacy in her children, grandchildren and great-grandchildren. We were blessed to celebrate lots of birthdays with her and now we are blessed to join the celebration of her life. A true angel here on earth and now she rests as an angel in Heaven. May God's blessing for the family give you Grace, Peace and Comfort in the days, weeks and months to come. Love to you all, Phillip & Valarie Paez.*

“ When I think of our Mother I immediately think: What a Strong Woman She Was, to have raised and Loved each of us unconditionally. You know I think back how when we were sleeping, she'd be downstairs ironing all our clothes for school, shined our shoes. She made sure her children looked nice, sometimes felt like the Sound Of Music Children walking out the door to go to school. What a Wonderful Woman God hand picked to be our Mother, She was so giving never really saw or heard her complain. She always made sure we had a hot breakfast before leaving to school, she was the Best Cook Ever!!! And after cleaning the kitchen, she get herself ready to catch the bus to get to work, WOW WHAT LADY, GOD BLESS YOU, MOM and REST IN PEACE!!! THANK U for giving US LIFE!!!! You will continue to live on in each of our Hearts ❤️ !!! Love you Forever your Daughter, Janice

“ *The last true memory I had of my grandma was on June 23rd. She looked straight into my eyes and told me I was her baby. She wrapped her arms around me, pulled me in, and held me tight into the crease of her neck. As I laid my head on her chest, I felt all of the love of a lifetime in that truly special embrace. I kissed her neck and told her everything was going to be okay and that I would be okay. I thanked her for simply loving me. She held on to me for a good 7 minutes and just whispered how much she loved me and prayed over me. I wish I could relive that moment, just to feel her arms around me, just to have her kiss me, and just to hear her voice. Later that day, as I sat in the recliner next to her, the song Amazing Grace began to play. As I placed the phone next to her so she could hear the song more clearly, she turned her head towards me, looked at me, and mumbled I love you. I told her I love you too. After this day my grandma was never the same. She began the transition from this earth to the heavenly plane awaiting her. I thank God that I was able to have that special moment with her and I'll always cherish it. I pray that she's at peace and reunited with her parents, siblings, husband, and children who passed before her. I'll love you forever grandma.*
