“ *The glue in our spread-out family. I remember traveling with Lonnie and Gloria across the South to Florida on an epic road trip. He always made such an effort to go visit others and stay in touch. My parents always told me I would cry when it was time to leave San Antonio as a little girl. So many memories with Lonnie and Gloria. He taught me to fish and shared my first gospel CD with me. Thank you for investing so much in our family Lonnie. You will be missed!*
