“ *Pat was the guy with a smile on his face all the time. A cold beer and good music, chilling outside, was a good time for him and MaryAnn. He was a talented handyman. He made most of his patio furniture and all kinds of furniture. He loved his wife Maryann so much. Every time he spoke to her he would call her dear; yes dear. He was the main man at parties and get togethers. The DJ and the MC for all gatherings. He will be missed, my condolences to everyone grieving Pat.*
