

Lorene Luckey

April 19, 1924 - April 19, 2011

Luckey

Lorene Lucille Liesmann Luckey was born April 19, 1924, to Kurt Liesmann and Alice Flugrath Liesmann. Lorene died on April 19, 2011 the day of her birth. Lorene was born at home under the supervision of a nurse named Mrs. Pickle. Lorene is predeceased by her father, Mother, husband Fred, her daughter Sandra, brother Jerome and a sister Ruby. She is survived by her son-in-law Tommy Jackel, grandson Troy Jackel a great granddaughter Ashleigh Jackel who was a joy in her life, a sister Medora Beckmann and sister Lola and her husband Hans Enderlin and a sister-in-law Vera Liesmann. She is also survived by six nephews and three nieces. We want to remember with love and kindness all her Real Estate friends and co-workers, and the many, friends she accumulated while she worked at various positions in San Antonio and also her many friends she went dancing with at Braun Hall.

When Lorene was about seven years old, she could bake bread, fix lunch for her father and mother who were working in the fields. She accomplished this on a wood burning stove. When she was ready to start her day, she would get dressed and put on an apron. Her brother Jerome would also put on a dress and apron. One day when Lorene and Jerome were both very young. Mother had placed them under the wagon and had them hemmed in so that they could not get out. When they returned to the wagon, Lorene was jumping up

and down and was so delighted with her work on Jerome. She had him covered in axle grease from head to toe.

Lorene was a very wonderful person and she will be missed by everyone that knew her. She worked hard all her life and enjoyed cooking. Especially fixing cucumber and onions, strawberries, and deviled eggs for Ashleigh when she came for a visit. Needless to say that Lorene was a very good cook as anyone can attest to, that placed their feet under her dining table.

The family wishes to acknowledge the loving care given to her during her stay at the hospital, nursing home and the Hospice caregivers.
